[REDACTED]

[REDACTED] Two problems, however, were raised in conjunction with this visit.

2. On 21 May 1962 a dispatch was forwarded from [REDACTED] to Headquarters to which was attached a PHS form and a request from [REDACTED]. As of October 23rd 1962 the only Headquarters communication in reply to the dispatch was one dated some time in August indicating the Division had turned the request over to the Office of Personnel. Both the Chief of [REDACTED] immediate supervisor warmly recommended favorable consideration of her request. I limited myself to replying that I felt five months was more than long enough to get an answer or at least additional progress reports.

4. On looking into this problem with WE I find that the Division support element had to shop her request when it was received since [REDACTED]

[REDACTED] WE Support, no doubt stirred

9. It seems to me the only thing I can do [redacted] is to follow up from time to time to see whether [redacted] has received an answer. In this connection I have asked Chief of Support, WE to keep me advised.
